

**RFP - 14-50 - Laboratory Services for State Operated Facilities**

Question No.	RFP Section	Page	Topic	Specific Question/Inquiry
1	Other	1	1.1.4	What is the State's standardized ordering method for lab services. (Technical Proposal A)
2	Other	3	1.1.25	Does the Hospital hold the CLIA certificate for waived testing or is this the responsibility of the lab (Tech Prop A)

Answer
At this time a standardized ordering methodology is not in place for the State Operated Facilities. Each Facility has a different process based upon the current lab vendor utilized.
The CLIA Certificate would be the responsibility of the lab.
